

Dear Parents/Guardians,

St. Lorenzo Ruiz Middle School is pleased to welcome *Live Different* to our school on **Thursday, May 1, 2025**, for a special presentation titled **“What Really Matters.”** The presentation will take place in the **gymnasium** from **9:45 a.m. to 10:45 a.m.**

This engaging, hour-long production uses **music, personal stories, videos, and interactive elements** to explore the theme of kindness, hope, and the power of making a difference. “What Really Matters” encourages students to reflect on their values, relationships, and the ways they can positively impact those around them.

The presentation is about seeing change, building hope, and embracing a lifestyle of caring for people. So that is why we are challenging the status quo and calling the world in which we live to stand up and Live Differently.

All middle school students in **Grades 6 through 9** will attend the presentation. We look forward to this inspiring opportunity to build a sense of compassion, resilience, and empowerment within our school community.

If you have any questions please email wendy.lynch@rdcrs.ca and/or trevor.reinhart@rdcrs.ca.

Sincerely,

Wendy Lynch & Trevor Reinhart
