

April 29, 2024

Dear Parents,

We are very excited to inform you that we will be hosting a 'Career Day' at St. Lorenzo Ruiz on May 24th, 2024 for our students. The day will provide students with the opportunity to explore a variety of career paths in which they may have an interest and allow them to experience some hands-on, interactive activities associated with the career path of their choice. An event as such will help build students' understanding and awareness of the world around us and the demands and requirements of various professions.

In order to make this day a success, we are also looking for your help... If your career or occupation is something that you are passionate about and would like to share with our students, we would love to have you present! **We invite you to complete the Google form below by May 10, 2024.** As a presenter, you are asked to donate your time on May 24th from 12:30 - 2:30pm. Students in Grades 6 to 9 will have the opportunity to listen to your stimulating and interactive presentation for 30 minutes and you will cycle through four different groups. We welcome and encourage you to bring along any necessary props, pictures, videos or tools to help make your presentation engaging for students.

We are excited to hear from you! We look forward to offering a wide variety of presentations in order to help our students understand the vast amount of post-secondary career opportunities that are available to them. If you have any additional questions, please do not hesitate to contact the school.
